

**Baseus Enjoy Car Wireless MP3 Charger
User Manual**

Please read this user manual completely and keep it properly

1. Packing List

Car Charger*1; User Manual*1; Warranty card*1

2.Product parameters

Name: Baseus Enjoy Car Wireless MP3 Charger
Model.No.: CCLH-01
Color: Black
Input: 12-24V
USB total output: 5V= 3.4A(Max)
USB1: 5V=1A USB2: 5V=2.4A
Rated output power: 17W(Max), 5V=3.4A
Wireless version: 5.0
FM frequency: 87.5-108.0MHz
Playback from flash disk: Support
Size: 41*70mm
Weight: ≈38.2g
Adapted models: Most models on the market

3.Usage Instructions

1. Wireless connection: After inserting the product into the car cigarette lighter port, search and connect "CD-015" on the wireless interface of the mobile phone. After connecting successfully, the icon of wireless is in solid blue;
2. FM radio connection: After the product is inserted into the cigarette lighter port and turned on, press the up button to enter FM mode. At this time, the digital display shows 87.5 by default and the number flashes. Turn the rotary outer ring for tuning. Note: Frequency range: 87.5 MHz ~ 108.0 MHz.
3. Tune the car radio to the same frequency as this product to use;
4. U disk playing: Insert the U disk into the USB port with an icon of music, the digital display will show the USB, and play the music in the U disk.
5. Insert a U disk/TF card and connect wireless to play. The one that inserts later plays first.

6. Important Safety Tips

Please read these tips and the user manual carefully before use. Please be sure to attach these tips and the user manual when you give the product to a third party for use.

Protect your health and safety

- ① Please do not use this product if there is obvious damage;
- ② Please do not let children or pets play with this product or its packaging and accessories to avoid eating by mistake;
- ③ Please do not approach items that are susceptible to magnetic fields, especially medical supplies such as cardiac pacemakers.

Cautions:

- ① Please store and use this product at room temperature and avoid long-time exposure to high and low temperatures;
- ② Do not expose this product to rain or moisture;
- ③ Do not hit, squeeze it or put it into fire;
- ④ Do not disassemble, repair or modify this product by yourself.

7. Declaration on toxic or hazardous substances and elements contained in electronic products

Part Description	Toxic or hazardous substances and elements					
	Lead (Pb)	Mercury (Hg)	Cadmium (Cd)	Hexavalent chromium (Cr VI)	Polybrominated biphenyls (PBB)	Polybrominated diphenyl ethers (PBDE)
PCB	X	○	○	○	○	○
Plastic	○	○	○	○	○	○
TPU	○	○	○	○	○	○
Metal	⊗	○	○	○	○	○

This form is prepared in accordance with SJ/T 11364 regulations.

○: Indicates that contents of the toxic and hazardous substances in all homogeneous materials are below the limit requirements specified by GB/T 26572 standard.

⊗: Indicates that contents of the toxic and hazardous substances exceed the limit requirements specified by GB/T 26572 standard in at least one homogeneous material of the component.

This product complies with EU RoHS 2.0 Directive(2011/65/EU)

The 5-year icon refers to the "effective life of environmental protection", not the product quality assurance period. Electronic products all contain toxic and harmful substances such as lead, mercury and cadmium. Once they are overused, toxic and harmful substances may leak or mutate, cause pollution to the environment, or cause serious damage to people and property. The term of "environmental protection use" means that all electronic products will be required to use within this effective period. We will no longer be responsible for the quality of the products due to the safety risks that arise after the safe use period.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC RF exposure statement: The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. During the operation of device a distance of 15 cm surrounding the device and 20 cm above the top surface of the device must be respected.

It is hereby declared that CCLH-01, a product model of Shenzhen Times Innovation Technology Co., Ltd., complies with the provisions of Directive 2014/53/EU and Directive 2011/65/EU. The full text of the EC Declaration of Conformity can be found on the following website: www.baseus.com

This equipment complies with the provisions of Directive 2012/19/EU. It is strictly forbidden to dispose of this equipment with ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.
